

# KENTUCKY IRISH AMERICAN.

VOLUME XXVII.—NO. 7.

LOUISVILLE, SATURDAY, AUGUST 19, 1911.

PRICE FIVE CENTS.

## SONS OF GAE.

Will Gather in Large Numbers at Riverview Park on Monday.

Tug-of-War Contest Between Limerick and Portland a Feature.

Will Settle Long Disputed Championship Between These Rivals.

## REUNION OF IRISH-AMERICANS

Everything is in readiness for Irish-American day at Riverview Park next Monday and the committee of arrangements expect to draw a record crowd to this popular resort, some of the committee being the same which promoted Hibernian day at this same park a couple of years ago, drawing a Fourth of July crowd of 22,500 people, which is the record. The Hibernians are only part of the contingent promoting Irish-American day, as it is intended to be a reunion of every man, woman and child in the city who has a drop of Celtic blood in his or her veins, no matter of what religious persuasion.

One of the special features of the day will be the tug-of-war contest between a team from Limerick under the leadership of John H. Hennessy and a team from Portland under the direction of Thomas Dolan, the athletic instructor from the West End. This has been a much mooted question in Irish-American circles for some time as to who turns out the best men of brawn. Portland or Limerick, and after much discussion and signing of articles the following have been signed to pull the other's head off or move out of their respective neighborhoods:

Limericks—Martin Joyce, John O'Donnell, Jerry Hallahan, Robert Mitchell, Thomas Dignan and Thomas Farrell.

Portlands—William Murphy, Thomas Noone, John Maloney, Hugh Hourigan, Roger Nohaly and Martin Sheehan.

Many wagers have been made on the result of the tug and the promoters of Irish-American day will arrange to give a banquet to the winners of the event. It goes without saying that the followers of both teams will be on hand in large numbers to cheer their respective favorites, and in connection with this it is expected to have a space set aside for the contestants and officials only, as at a similar contest some time ago the spectators became so enthused that they took a hand, causing the match to be declared off and the championship still unsettled. Hence the arrangement to settle it next Monday.

Two other features sure to create some interest are the reel dancing and waltzing contests, for which handsome prizes are offered, and already some of the light steps are entered and are sure to arouse some enthusiasm among the lovers of the terpsichorean art. The Committee of Arrangements is made up as follows: D. J. Coleman, William Murphy, A. Tompkins, Joseph E. Farrell, Thomas Dolan, Thomas Lavery, C. J. Ford, Ernest Smith, William T. Meehan, John T. Keane, James Welsh, Hugh Hourigan, Thomas Stevens, John G. Heasdon, D. J. Dougherty, John H. Hennessy, Thomas Lynch, John J. Barry, Thomas J. Langan and H. J. Brady.

## IMPROVED.

Holy Father's Condition Is Better Than Last Week.

Catholics were much relieved Thursday when they read that Pope Pius, whose condition shows marked improvement over last week, sat up nearly all day. His health, as he has been, even ventured to walk from his arm chair to his writing desk to get some papers required while discussing official matters with Cardinal Merry del Val, the Papal Secretary of State. During the day the Pontiff received a number of his friends, his physicians believing that a chat with others than those engaged in the sickroom might tend toward brightening the spirits of the patient.

His Holiness was not informed of the sudden death of Cardinal Moran in Sydney, N. S. W. It was feared the shock might have a detrimental effect on the Pontiff's health, as he held Cardinal Moran in high esteem.

## CHURCH OF OUR LADY.

Next Tuesday and Wednesday evenings the good people of the West End will give a lawn fete for the benefit of the Church of Our Lady, the spacious church grounds on 4th avenue, between Thirty-fifth and Thirty-sixth streets. Rev. Father Conliff is the faithful and working pastor, and the money raised will be used for improvements on the church, one of the oldest in the city. There will be twelve games, good music and other attractive features, and the ladies have done everything toward making this fete a enjoyable one.

## NUNS LEAVE.

Dominican Sisters Going to Their Various Missions.

After the feast of St. Dominic the nuns who had been resting and recuperating at the Academy of St. Catherine of Siena were sent to various missions. It will be of interest to the people of St. Louis Bertrand parish to know where the daughters of that parish are engaged in teaching.

Sister Agatha, formerly Miss Mary Brown, and Sister Clare, formerly Miss Thillie Glass, remain at St. Catherine's. Sister Mary Plus has been made Mother Superior at Memphis. She was formerly Miss Katie Kennedy. Sister Bridget, formerly Miss Bridget Connelly, has been made Mother Superior at West Lynn, Mass. Sister Mary Raymond, who was formerly Miss Anna Hines, has been assigned to Mattoon, Ill. Sisters Agatha and Callista, formerly Misses Isabella and Jessie Kavanaugh, have been reassigned to St. Francis de Sales Academy, Charlestown, Mass. Sister Thomasine, known in the world as Miss Julia Gilmartin, has gone to West Lynn. Sister Alexia has been reassigned Mother Superior at St. Michael's Academy, Lowell, Mass. She was formerly Miss Bridget O'Sullivan. Sister Frances, formerly Miss Theresa O'Malley, will remain at St. Catherine's. Sister Bernardine, who was Miss Bernardine Medley, of Lebanon, goes to Charlestown, Mass.

## MAMMOTH

Lawn Fete For the Benefit of St. Ann's New Church.

A mammoth lawn social will be given for the benefit of St. Ann's church next Wednesday and Thursday on the beautiful church grounds, 1607 South Seventh street. Rev. Father Hill and the ladies of the parish have spent weeks preparing for this event, and everything that goes to make a lawn fete successful will be found on the grounds. Many attractions have been provided, and handsome and valuable prizes will be within the reach of all. Father Hill has done surprising work since founding St. Ann's parish, and the people of the congregation, desiring to show their appreciation, therefore invite their friends from all parts of the city to be with them and assist in making this the greatest occasion of the kind for the season. Members of the congregation will form a reception committee to see that all are entertained and the refreshments will be served by a corps of charming young ladies. All who would help a good cause and spend a pleasant evening are invited and should attend this fete.

## EXCELLENT

Work Is Being Done by the Central Committee, C. K. of A.

President Eugene McCarthy presided at the regular meeting of the Central Committee, C. K. of A., on Friday night of last week. All the branches were well represented considering the high temperature. William H. Higgins, Chairman of the Entertainment Committee, reported the preparations that had been made for Catholic day at Fontaine Ferry Park on Wednesday, August 23. In addition to the usual attractions there will be a "Raffles" incident with a \$5 gold piece as a reward for the one who properly catches "Raffles."

Henry Schnitzgen, from Branch 642, made a nice talk and turned over a neat sum to Central Committee. The money had been raised for a man who has become blind. Mr. Schnitzgen's talk was appreciated and his work was highly complimented. Letters of sympathy were ordered sent to two delegates who have been ill, Edmund Rapp and Capt. John B. Murphy, the Police Commissioner of Jeffersonville. John Kenney, of Jeffersonville, and Joseph Kenney made nice talks, and P. J. Dowling, of Branch 4, expressed the hope that many new members would be secured. He also made several excellent suggestions regarding increasing the membership of the various branches.

The Central Committee was extended an invitation to attend the outing of the Uniform Rank on August 27. John Schaldach told how he had spoken for the order at the general meeting at St. Anthony's and his talk made a fine impression. The committee received a second pressing invitation to attend the Irish-American celebration at Riverview Park next Monday.

## POLICEMEN ON VACATION.

Lieut. Mike Leamy will leave Tuesday to spend his vacation at White Mills, and on the same day Detective John Enright will leave for a week's stay at Madison, Ind. Capt. Mike Hogan has been spending his vacation at French Lick, while Officer William Lawler went to Detroit to visit his sister and spend a few days in Canada. Both will be on duty again Monday. Lieut. Edward Callahan has been sojourning at Atlantic City for the past ten days. Sergt. Tom Brown, wearing his straw hat during his absence. Those officers receiving vacations during these sultry days are looked upon as being lucky.

## ENDED.

Liberals and Irish Win Fights Against the House of Lords.

Great Doubt As to Outcome Expected Until Final Moment.

Lords Can Now Hold Up Home Rule for Only Two Years.

## PUTS AN END TO CLASS RULE

The Commons' triumph over the House of Lords is regarded as a momentous event, especially for Ireland, which has reason to look for the passage of the long fought for home rule measures for that misgoverned country. Upon this great subject there is but one opinion, and that is expressed by the New York World, that "Premier Asquith has won a great victory. He has dealt with a historic abuse and helped to insure to Great Britain a truly democratic government. To the arrogance of class rule he has put a stop. The Lords may hold up home rule for Ireland and halt social reform for two years. But they can not indefinitely deny to the people the measures of relief and of progress for which the electors have declared, and their elected representatives in the House of Commons have made provisions in obedience to the popular will."

Describing the last stages and the end of the struggle, Hon. T. P. O'Connor, one of the Irish leaders in the House of Commons, cabled the following:

"The veto bill fight ended as I always anticipated it would, but it was closed more easily than either I or anybody else thought it would be. Indeed up to the last moment of the last night's debate on Thursday nobody knew what was going to happen. Several times during the evening the battle changed from side to side. Now the odds were five to four on the Lords rejecting the bill, and then five to four on a surrender. If one speech made two Peers change from the Tory to the Liberal side, the succeeding speech brought two extremists back to Lord Halsbury's camp. The situation finally was saved by the large vote of the Unionists and Bishops in favor of the Ministry and the desire of the Tory leaders and the court influences to avoid a continuation of the crisis and the infliction on the King of the disagreeable duty of sending 500 Liberal Peers into the House of Lords."

"The Liberals and Irish are pleased on the whole with this solution of the veto question, though they have lingering desire to see the House of Lords transformed from a Tory to a Liberal assembly by the new Liberal Peers and to secure thus a readier passage of the home rule and the other Liberal reforms. The end of the struggle was received with the same astounding indifference by the public as was nearly every stage of the whole struggle. This is partly because the heat renders everybody apathetic and because the conclusion was regarded as foregone."

## STATIONED IN WEST.

Sister Mary Raymond and Sister Mary Angela, of the Dominican order, who have been staying at St. Rose during the summer months, left Wednesday for Exeter, Neb., where they will teach during the coming school session at St. Stephen's College. Before taking the rail Sister Mary Raymond was Miss Anna Hines, daughter of Mr. and Mrs. Thomas H. Hines.

## STILL CAMPAIGNING.

Division 4, A. O. H., met Monday evening and heard reports from the committee who are boosting the Irish-American day picnic at Riverview Park next Monday, and the members are especially interested in the tug-of-war contest which will

be held between teams from Portland and Limerick. The resignation of William Callaghan as Sergeant-at-Arm was received, he being unable to attend the division meetings regularly on account of other duties, and John Coleman was elected to fill the vacancy. Division 4 still shows the good effects of a campaign for members, three being received at the meeting, Michael McGrundy, Pat Kenney and Pat O'Hearn applying for membership. Harry J. Brady and Michael Costello were reported as still being on the sick list. Sergeant Thomas Brown, one of the old guard of Division 4, was present and delivered a few remarks on Hibernian unity.

## SHOT DOWN.

Brave Policeman Killed in Performance of His Duty.

Officer Michael Baldwin, for twenty-seven years a member of the Louisville police force, was shot and killed while in the performance of his duty on Friday morning of last week. He was shot through the heart by Adam Wallace, a negro who had been frightening residents of the West End. A few minutes after Baldwin was shot Officer Michael Sullivan shot and killed Wallace. The negro was desperate and fired three shots at Sullivan before he was killed. The double tragedy occurred in the vicinity of Eighteenth and Eddy.

Officer Baldwin was taking the negro to Eighteenth and Walnut to have him identified. At Nineteenth and Eddy streets Wallace wrested the revolver from the policeman and shot him through the heart. With the smoking revolver in his hand the desperate negro ran through the alley toward Eighteenth street. He was regarded as a brave and fearless officer. He resided at 734 Oldham street and is survived by his wife and the following children: Nellie, Catherine, John, Mary and Regina Baldwin, and a sister, Mrs. Thomas McLaughlin, of 309 East Madison street.

The pallbearers were Officers Michael J. Sullivan, John P. Keefe, John Carroll, Austin Nally, Patrick O'Hearn, Robert Riley, H. C. Miller and John Maloney. The escort was composed of Cornelius Savage, James Twohig, Edward McGrath, Thomas Fitzgibbons, Patrick Tully and Lieut. Schupp.

## HONORED.

Attorney A. F. Martin Again Deputy Supreme Officer.

Attorney Albert F. Martin has again been honored by the Young Men's Institute. This week he received his commission from Supreme President W. J. Hennessy and reappointment as Deputy Supreme President for the Kentucky jurisdiction, which includes the States of Tennessee and Mississippi. For a number of years Deputy Martin has been an active worker for the Y. M. I., having served as President of Trinity Council of this city, which progressed under his administration, and also as President of the Kentucky Grand Council. He will be expected to represent President Hennessy at the Grand Council to be held next week at Carrollton. His friends are justly elated over his appointment.

## VISITING FAMILY.

Rev. Father James A. Mackin, O. P., of St. Mary's church, New Haven, Conn., is spending a few weeks with relatives in Marion county. He is a relative of the late Father William Mackin, formerly pastor of St. Cecilia's church in this city.

## REUNION.

Catholic Knights Thronged St. Michael's Hall on Tuesday.

Branch 642, Catholic Knights of America, had a jolly reunion Tuesday night, the members and visitors nearly filling St. Michael's Hall. President Joseph P. McGinn occupied the chair and was assisted by Vice President Phalen, Secretaries Veeneman and Mayer and Treasurer Schnitzger in receiving and dispensing the hospitality of the evening. A most agreeable feature was the hearty reception tendered the Rev. Father Kernan, O. P., who graced the occasion with his presence, taking place of Father O'Connor, who is spending a vacation in Ireland. President McGinn extended greetings to the visitors, among whom were Supreme Delegate H. A. Veeneman, State Secretary William T. Meehan, Ben A. Kruse, William St. Higgins, Ben Rittman and others. The semi-annual reports showed Branch 642 in better condition than for several years past. After the business session there were short addresses, between which refreshments in abundance and cigars were served.

## COUNTY BOARD

Held an Interesting Business Session Last Week.

The County Board, A. O. H., met at Bertrand Hall on Friday night of last week and transacted a lot of necessary business. Reports on the picnic held recently at Phoenix Hill were encouraging and each division is making substantial returns for tickets sold. Financial Secretary T. J. Langan and Treasurer Thomas Walsh expect to make complete reports at the next meeting.

The County Board accepted an invitation from Col. Lim Simons to be his guests at supper on Tuesday, when plans for the Irish-American outing to be given next Monday, August 21, were to be discussed. Several suggestions were transmitted to the board from Division 3. They relate to changes in the by-laws of the County and State boards and recommendations were made concerning matters to be brought up at the next national convention. These suggestions and recommendations were drawn up by Attorney Lawrence J. Mackey and have many excellent points. They will be fully discussed at the next quarterly meeting, which will be held in September. All the members of the County Board talked enthusiastically concerning the coming Irish-American day at Riverview Park next Monday and all promised to aid in bringing out a crowd. It is not to be a Hibernian picnic, but an outing for Irish-Americans of all creeds and societies.

## JOHN J. SCORE

New District Deputy For Catholic Knights and Ladies.

Miss Mary Sheridan having resigned, Supreme President Leonard, of St. Louis, has appointed John J. Score as District Deputy for the Catholic Knights and Ladies of America, who has entered upon his duties with the outlook for promising results. His first work will be the organization of branches in Holy Cross and St. Bridget's parishes in the city, and also one at Pewee Valley, with prospects for one in St. William's parish. Deputy Score will soon issue a call for a meeting of the officers of all the branches in the Falls Cities for the purpose of devising ways and means for increasing the membership of this order.

There will also be a reorganization of the Corps of Inspectors, as some of them have become careless in the performance of their duties. Inspectors will be chosen who will give at least one hour of their time each month and encourage the members to try and excite some interest in the branches to which they belong. Because of this appointment Andrew Kast has succeeded to the Chairmanship of the Knights and Ladies' Central Committee, which means new life and vigor for that body.

## MANY FIREMEN HURT.

Last week was a severe one for the members of the Louisville fire department, who were called upon to fight the flames and make an unusual number of runs. Though many had narrow escapes, fourteen sustained injuries, but fortunately none were serious and all are on duty again. The injured men were Elmer Graham, aide to Chief Lehan; Coss, John Bourke and J. H. Willenborg, and Frank Moore, Joe Kilmeter, Dave Burke, Thomas McGinn, John Keefe, Edward Week, William McFarland, Jake Michaels, James Wallace, William Rudolph and James Hundley.

## FROM QUEEN MARY.

The Dowager Lady O'Hagan has offered Queen Mary the freehold of her house in Dublin, to be devoted to any purpose which the Queen may select, in memory of the royal visit to Ireland. The Queen has accepted the offer, and desires the house to become the permanent headquarters of the St. Lawrence Catholic Home for training district nurses.

## CATHOLICS

Their Annual Reunion Wednesday at Fontaine Ferry Park.

Central Committee Has Invited All the Falls Cities Societies.

A Novel Feature Will Be the Search for the Monied Knight.

## WILL REVIVE FOND MEMORIES

A great day is approaching for the Catholics of Louisville and the Falls Cities. On next Wednesday, August 23, the annual Catholic reunion under the auspices of the Louisville Central Committee will be held at Fontaine Ferry Park, and every indication points to the largest gathering of the kind in the history of the Catholic Knights of America. For weeks committees have been working for this event, to which the members of every Catholic society in the three Falls cities and the general public have been invited. This annual reunion was instituted several years ago and has brought about many happy meetings of old friends and acquaintances, besides reviving and leaving fond memories.

The park management will provide many attractions with a musical programme introducing the popular airs of all nations. A feature that will provide much amusement and a nice prize will be the search for the "Monied Knight." A well known member of the Catholic Knights of America has been selected, and will be at the park all the afternoon and evening. Upon his arrival at 2:30 o'clock he will be stationed at the entrance, wearing a black Derby hat, dark suit and light tie. He will later appear at the bandstand, from there going to the theater, and after the performance mingling with the crowds. The same will be repeated in the evening, beginning at 7 o'clock. To win the prize all you have to do is to touch him gently on the right shoulder, declare him the "Monied Knight," and receive the \$5 gold piece he carries 'or the one who discovers him."

Every branch of the Catholic Knights of America in this city is represented on the committee. Among the active workers for the success of this reunion are such well known citizens as Gen. Michael Reicher, P. J. Dowling, John Schaldach, Patrick Healey, Charles Hill, President Eugene McCarthy, Ben A. Kruse, Supreme Delegate H. A. Veeneman, Col. Joseph P. McGinn, Capt. Oscar Maler, B. A. Coll, Charles Falk, State Secretary William T. Meehan, J. J. Schulten, Police Commissioner, J. R. Murphy, John Kenney, Ben Rittman, Joseph Kenney, Chairman William M. Higgins and a host of others. For years the Central Committee of the Catholic Knights of America has been doing a great work in Louisville, and the proceeds of this reunion will be devoted to purposes most commendable. The admission will be ten cents, the tickets being for sale by members in all sections of the city. With fair weather the attendance should number at least 10,000.

## ANNIVERSARY

Now Attracting Attention of Mackin Council Members.

Mackin Council had a fairly attended meeting Monday night, presided over by Vice President Joseph Hancock. C. Schaefer, R. Riddle and C. Craven, all on the sick list, were reported improving, and C. Oswald was reported entirely well. Gratifying reports were made by the Opera Committee, which placed a goodly sum in the treasury. Announcement was made that the shower baths were complete and in working order. Patrick T. Sullivan presented the council invitations to attend the Irish-American celebration at Riverview on Monday and the Catholic day celebration at Fontaine Ferry on August 23, and both were accepted. The business of greatest interest related to the anniversary celebration to be held at the club house next month. George J. Lantz reported that arrangements were being perfected to make this celebration surpass all others, and that the committee was receiving the assistance of all the members. The programme will include two days, the first to be devoted to religious exercises and a reception.

## DOING NICELY.

The Louisville friends and relatives of Sister M. St. Paul Kennedy, of Indianapolis, will be rejoiced to learn that she is making steady progress toward recovery, after a delicate operation for appendicitis. As the good Sister is in her seventy-third year it is considered remarkable that she stood the operation so well. Her niece, Miss Margaret E. O'Donnell, has been her constant attendant.

## COME AND BE WELCOME.

The Kentucky Irish American joins with Right Rev. Bishop O'Donoghue, Gov. Willson and Mayor Head in inviting the next National Catholic Federation to come to Louisville. This is the cradle of Catholicity in the West. We can show our visitors a handsome Cathedral and many beautiful churches and schools. Rev. Father Raffo, Dr. Peter S. Ganz and Hon. E. J. McDermott will represent Louisville and her interests at the convention which will meet in Columbus, Ohio, next week. Louisville is one of the cities that first promoted the Federation, and this is reason for asking the national convention to come and be welcome.

## CHURCH MOURNS.

Thursday's press dispatches brought announcement of the sudden and unexpected death at Sydney, N. S. W., of the venerable Cardinal Moran, one of the patriarchs and greatest men of the Catholic hierarchy. The dispatch was brief, only stating that the Cardinal was found on the floor of his bedroom in Manly palace in a state of collapse. Death followed an attack of syncope.

His Eminence Patrick Francis Cardinal Moran, Archbishop of the archdiocese of Sydney, New South Wales, was born at Leighlinbridge, diocese of Kildare, Ireland, on September 17, 1830. He was created Cardinal on July 27, 1885. The death of Cardinal Moran creates the twenty-third vacancy in the Sacred College.

## RIGHT MOVE.

If the present General Council wishes to increase the impression they have made with the public they should adopt Councilman Michael McDermott's ordinance requiring the Louisville & Nashville Railroad Company to leave Dumesnil street open, which has been done during the construction of the viaduct. It is a move in the right direction, and further inquiry should be started as to who gave the L. and N. permission to close Tenth street to the public, and which is a public street, being closed several years ago while their shophen were on a strike and never reopened. Councilman McDermott should be encouraged in his fight against this corporation.

## SANE CHAUFFEURS WANTED.

Some day the question will be put up to Col. Lindsey, Chief of Police, and the Board of Safety, which is the most valuable, human life, or the necessity of the police automobiles running fifty and sixty miles an hour to probably carry a drunken negro to jail. Taxpayers, who by the way pay the police chauffeurs, can not see why these speed cranks are allowed to endanger especially the lives of little children when emergency calls like riots, etc., are very rare. A word to the wise is sufficient.

Waldorf Astor was never anything but ridiculous, and his leaving this country for England has not been regretted. The upstart Tory expresses relief that his first Parliamentary session has ended and adds: "We will now have respite to get the battle lines ready. This is no defeat for the House of Lords and the Unionists, but only the beginning of a fight that probably will last for the next few years." What must English people think about this interloper, who opposes the King, Government and people.

Nowhere was the Feast of the Assumption of the Blessed Virgin Mary more generally observed than in Louisville. The services in all the churches were the same as on Sunday, and the pastors were particularly gratified over the large numbers present at the early masses. Men and women, young and old, the great majority on their way to work, stopped at some one of the churches, honoring the Mother of God and securing for themselves a spiritual reward.

V. L. Spalding, recently of Oklahoma, but originally from Uniontown, this State, where he was editor of the Telegram, has accepted the position of business manager of the Southern Guardian, published at Little Rock. Having knowledge and experience that fit him for the place, the Guardian should now grow in circulation and influence. Though

still young, it is one of the sturdiest Catholic publications that come to us.

The competency of the Louisville Fire department was fully tested last week. Chief Lehan and his men handled the numerous fires with skill and ability, but for which the loss, great as it was, would have been appalling. Our fire fighters established the fact that Louisville's department knows its business and performs its duty.

The Astor-Forge marriage has attracted the attention of the Protestant church and the entire country to the evils of the present divorce laws. Follow the Catholic church upon this subject, and thus end the misery and scandal brought upon the innocent through divorce and polygamous marriages.

We congratulate the Denver Catholic Register on having successfully passed another milestone. Though only seven years old it is in the front rank with its elders, who all wish for its continued growth and prosperity.

Officer Michael Sullivan saved the city the expense of a trial and perhaps the ignominy of a lynching. A few more officers like Sullivan would put some of the negro hoodlums on their good behavior.

The Kentucky Irish American extends greetings to the American Federation of Catholic Societies. May its highest hopes be realized and Louisville secure the convention it seeks.

The Democratic platform convention certainly marked the passing of ex-Gov. Beckham. If present at the afternoon session he would have been hooted from the hall.

Little Katherine Baldwin prayed for her father and asked God to protect him. The brave officer died at his post, a martyr to duty.

## ABLE LAWYER

## Aspires to the Democratic Nomination For Chancellorship.

From present indications Attorney James Quarles will be the Democratic nominee for Judge of the First Chancery division of the Jefferson Circuit Court. Thus far no other candidate has entered the field against him. Mr. Quarles announced his candidacy for the Chancellorship on January 1, and after he had been asked to make the race by a number of friends and indorsed by 90 per cent. of the Democratic lawyers of the Louisville bar.

When a man's associates and coworkers recognize his fitness for a position it is a big recommendation to those not familiar with his capabilities. Such a man is James Quarles. He belongs to an old and respected family of Louisville and has inherited legal talent as well as the courtliness of a Kentucky gentleman. He is a graduate of Washington and Lee University and his reputation as an attorney is national. He is a nephew of the late Judge Emmet Field and has had the advantage of a close and intimate friendship with him. Mr. Quarles has practiced at the Louisville bar during the past twenty-three years and is eminently qualified to fill the Chancellor's bench.

## TOTAL ABSTAINERS ELECT.

The National Catholic Total Abstinence Union convention at Scranton elected the following officers: Spiritual Director, the Right Rev. J. Regis Canavin, Pittsburgh; President, the Very Rev. P. J. O'Callaghan, C. S. P., Chicago; First Vice President, the Rev. John G. Beane, Pittsburgh; Second Vice President, J. Washington Logue, Philadelphia; Third Vice President, Miss Katherine Kelly, Kansas City; Secretary, John Shaughnessy, Scranton; Treasurer, the Rev. J. V. Boylan, Nanticoke. Resolutions were adopted urging the formation of cadet societies and calling on women to avoid frequenting public drinking places.

## ALTAR SOCIETY EUCHE.

In order to secure funds to provide handsome new stained glass windows for the Cathedral of the Assumption, the various societies of the parish have been co-operating in an endeavor to raise the necessary amount. September 7, at the Catholic Woman's Club, the Altar Society will give a euchre and supper for the benefit of its window fund. In addition to the supper and card party there will be many attractive features, a number of handsome and useful articles being offered for sale. The games will begin in the afternoon and will continue during the evening.

She was the mother of two daughters, Misses Katherine and Rachel, and one son, Robert Timmons. The funeral was held Monday morning from St. Charles Borromeo church, which was thronged. Rev. Father Raffo was the celebrant of the requiem mass, and in a feeling tribute paid high tribute to the exemplary life and example of the deceased.

He is only forty-five years old.

## DEMOCRATS

Hold Large and Enthusiastic Convention and Adopt Platform.

While Excitement At Times Ran High There was no Ill Feeling.

The County Unit Plank the Only One That Caused Friction.

## OPENING OF THE CAMPAIGN

The Democrats of Kentucky met in State convention in this city Tuesday and adopted the platform on which they will make their campaign this fall. The attendance exceeded all expectations, every county in the State being fully represented. Promptly at 12:30 o'clock the opening session was called to order in Masonic Theater by Henry Prewitt, Chairman of the State Executive Committee. Hon. John S. Rhea was the unanimous choice for Temporary Chairman, and after his address and the appointment of committees an adjournment was taken until 3 o'clock.

Upon reassembling the eleven districts announced their selections for the various committees and the temporary organization was made permanent. Objection was made to the action of the Credentials Committee naming the delegation headed by ex-Gov. Beckham. This for a time caused intense excitement and some rapid-fire exchanges of compliments, but the convention finally seated both delegations, thus reducing the vote of the Beckhamites to one-half each. The other committees met to select the various nominees, who responded with telling speeches and predictions that the Democratic ticket would be elected by 30,000 majority. After all had been heard an adjournment was taken.

When the convention was called to order at 8 o'clock every available foot of space was occupied, the floor, boxes and galleries all being thronged. Gov. Beckham read the majority report of the Resolutions Committee, which favored extension of the county unit, the only plank that gave rise to any feeling during the convention. When Henry Watterson rose to present the minority substitute, calling for local option and a rigid enforcement of the laws, he was given a ovation and cheer that brought the vast assemblage to its feet. In a short but forceful speech Mr. Watterson gave the reasons why the substitute was offered. Gov. Beckham spoke for the majority, after which the vote was taken. The result was in doubt until the last counties were called, when the vote showed 667 against 514, and thus the convention declared for the extension of the county unit.

The platform touches upon national questions and indorses the record of Kentucky's Democratic members of Congress. Upon the State issues the platform declares Kentucky is a Democratic State and denounces the Republican administration for its extravagances. The other planks favor a direct primary election law, an explicit and effective corrupt practice act, making the school system more efficient and practical, removing the Prison Commissioners from politics, a uniform system of public accounting, road and bridge building, religious and civil liberty, nomination and election of United States Senators by direct vote of the people, and the enactment of laws that will protect from accident laborers engaged in hazardous employments. Other subjects are given attention, and upon the whole the platform is one that merits the support of every voter who has Kentucky's interest at heart.

Now that the State Democratic ticket and platform are settled much interest is being manifested in the nominations to go under the McCleary-McDermott ticket on the ballot. With the exception of one or maybe two places in the General Council roster, they will be indorsed and nominated as a whole, one change being in the Twelfth ward, Ben Sand expecting to be State Labor Inspector in the event of the success of the ticket, and Thomas Dolan, the well known stationary engineer, will be given the place. The other probable change will be in the Tenth ward. The probable line-up for the Judgeship of the First division, Chancery branch, will be James Quarles, Judge A. E. Richards and Judge R. W. Bingham. Judge Bingham realizing from a practical politician's standpoint the G. O. P. is due for a stinging defeat this fall. In the Legislative races Charles Knight is without opposition in the First Ward. In the Second ward there are three candidates—Adam Spahn, who has the support of some of the administration; Henry Wallingford, who it is rumored is being supported by Judge Goeck and Squire Dacher and their large following. The third candidate is Peter Goebel, who is depending upon his strength in the southern part of the district. Lee R. Cunn in the Fourth and Fifth wards, Peter Lee Atherton in the Sixth and Seventh, William A. Perry in the Eighth and Ninth, and William McNally in the Tenth, will have no opposition for the nomination, while Sam Robertson in the Eleventh and Twelfth will have a little opposition, but not enough to make his Sam bustle.

The Evening Post is still hoping against hope that the local Democratic committee will be changed, as Frank McGrath and his fellow committeemen are the strongest and most harmonious body of its kind

### WASHINGTON.

#### Dr. Scharf Must Answer the Charges of Ben Johnson.

A Washington press dispatch says Representative Ben Johnson won a victory in the decision of the local chapter of the Knights of Columbus to investigate his charges against Dr. Emil L. Scharf, a local lobbyist. In a speech on the floor of the House, toward the end of the last Congress, Mr. Johnson declared that Scharf had approached him with a proposition to deliver the Catholic votes in the Fourth Kentucky district to Mr. Johnson for "a consideration." Mr. Johnson stated that other members with a large Catholic vote in their districts had been similarly approached by Scharf, whom some weeks previous Mr. Johnson had ordered out of his office, saying: "You know I don't think you are straight." When Scharf, who is head of a Catholic news agency, backed out of his office on that occasion he showed very little fight, but after the charges were made he challenged Mr. Johnson to prove them. The local Knights took up the affair and after an investigation decided that they must be looked into. The result will be made public by the Knights in October, they promise.

### JEFFERSONVILLE.

Announcement has been made of the engagement of Miss Alice O'Connell, the popular and pretty young daughter of Mrs. Minnie O'Connell, 914 East Court avenue, to Patrick McCann, of 824 Spring street, Jeffersonville. The marriage will be solemnized in the near future at St. Augustine's church.

A wedding that will be of interest to many people will be that of Charles Willis and Miss Catherine Coyle. Their marriage will take place on August 30 and will be solemnized at St. Augustine's church. Both are well known and popular young people of Jeffersonville.

### LAWN FETE.

On the afternoons and evenings of Tuesday and Wednesday, August 29 and 30, a lawn fete for the benefit of St. Elizabeth's church will be held on the church grounds, 1020 East Burnett. Tuesday afternoon will be for the children and Tuesday evening there will be euchre, for which many handsome prizes have been donated. Wednesday will be everybody's day. Refreshments and supper will be served both dates.

### RECOVERED.

Miss Margaret Flynn, of 1820 East Spring street, New Albany, who was overcome by the heat last Friday, has fully recovered and returned to her place with the Louisville Gas Company. Miss Flynn was stricken in the evening and for a while was unconscious. She was attended by a physician and later removed to her home.

### SPIRITUAL RETREATS.

Rev. Father Benedict, C. P., of the Sacred Heart Retreat, closed a ten days' spiritual retreat on Tuesday for the Sisters of Mercy at the convent on East Broadway. Rev. Father Wilfrid, of the same order, conducted a ten days' retreat for the Sisters of Charity at Mt. St. Joseph's, Delhi, near Cincinnati, on August 15.

### GENEROUS TO CHARITIES.

Marion E. Taylor, of Louisville, has presented \$2,000 to charities at Natchez, Miss. The Natchez Protestant Orphan Asylum is given \$1,000 and Devereaux Hall and St. Mary's Asylum, Catholic institutions, get \$500 each.

### SOME CHURCH WORK.

Right Rev. Bishop McDonnell, of the Brooklyn diocese, will dedicate three handsome churches before Christmas. The Bishop is now in Ireland, and will visit Germany and other countries, then going to Rome for the purpose of having an audience with the Pope. The new churches are St. Agnes, Right Rev. James S. Duffy rector; the Church of the Presentation, the Rev. James Flynn rector; and St. Finbar's, the Rev. William Gardiner rector. The three edifices will cost in the aggregate more than \$1,000,000.

### CHURCH PICNIC.

Next Monday the people of Holy Trinity parish will hold an old-fashioned all-day picnic on the church grounds at Kentucky and Dupuy streets, the proceeds to be for the benefit of their church. All who attend are assured a pleasant day.

### REAL VINCENNIAN WORK.

Sixty-five poor children of Chicago and their mothers are being given vacations at a camp established by the St. Vincent de Paul Society on the lake shore between Isabella and Walnut streets, Evanson. They are living in tents lent to the society by the United States army. One woman has ten children—so many that they have to occupy two tents. The camp has been equipped with gas and electric light. Women of the Catholic churches in Evanson and Wilmette assist in cooking and serving meals. It is planned to keep the camp open until cold weather.

### COLUMBUS MONUMENT.

Though long delayed, the Columbus memorial monument will soon be erected at Washington, D. C. The memorial consists of a semi-circular fountain, sixty-four by sixty-four feet, at the back of which is a column forty feet high. This shaft is surmounted by a globe. At its foot stands Columbus, wrapped in a cloak, in an attitude of meditation, and with his foot on the prow of a caravel. On either side of the column are symbolic figures of the new and the old world—an Indian and a Caucasian. The rear of the

shaft has a medallion of Ferdinand and Isabella. Its cost will be over \$100,000.

### KNIGHTS OF COLUMBUS.

#### Late News That Will Interest Members Here and Elsewhere.

Massachusetts now has 137 councils and 22,388 members. Forty candidates will be given the second degree tomorrow at Colorado Springs. Illinois has 123 councils and Pennsylvania 110. Ohio comes next with sixty-eight. President Taft will be in Boston on October 12 and will review the Columbus day parade. The councils at Erie and Meadville will have charge of the next national convention, which will be held at Cambridge Springs. New York has more councils and a larger membership than any other State in the Union—217 councils and 42,620 members. A float, beautifully and artistically decorated, representing Columbus stepping from the Santa Maria onto American soil, was Colorado Springs Council's contribution to the anniversary carnival parade. The float was among the best and elicited much applause from the crowds along the line of march.

### FORTY HOURS.

The Forty Hours' devotion will begin tomorrow morning with beautiful solemnity at the Church of St. Francis of Assisi on the Bardonia road, concluding on Tuesday. Father Rothe will conduct the services and will be assisted by a number of the local clergy.

### FATHER VAUGHAN'S VIEWS.

Father Bernard Vaughan was recently asked his views on home rule, and with truly Irish ingenuousness he said he would not commit himself either to the union or to home rule, but said deliberately that "England wished to clasp the hand of friendship with Canada, Australia and other of her dependencies—aye, and with the mighty United States—she would first have to make it clear that there was peace and contentment in Ireland! Which of course very plainly expressed Father Vaughan's views on the matter."

### FAMILY OF RELIGIOUS.

Rev. John P. Prendergast, assistant pastor of the Sacred Heart church in Kansas City, and Rev. Thomas F. Prendergast, pastor of the Sacred Heart church at Warrensburg, Mo., are twin brothers. Seven of the children in the Prendergast family are priests and nuns, making one of the most remarkable instances of religious devotion known in church experience.

### LATEST IN STYLES.

High feather decoration is a fall millinery keynote. Never were so many sheer, plain striped silk waists.

Long top coats are carried in nearly all vacation trunks. With the promise of wider skirts comes the return of ruffles. White pumps were probably never before in so great demand. More and more insistent becomes the prophecy of wider skirts. White linen is apparently the season's favorite material for tub dresses. Ecru mousseline de sole has superseded white for separate collars and cuffs. Hosiery in every case matches the shade of the gown with which it is worn. Velvet in both plain and fancy weaves is employed in many of the new three-piece suits—consisting of coat and skirt with waist to match. Many two-piece suits are made of velvet.

### MEMORIAL.

Entered into eternal rest on Tuesday, August 8, 1911, Margaret, aged twenty-six, the beloved daughter of Mrs. John Hahleib Perseval. She died very sudden and unexpectedly, for she became ill only Sunday evening. An operation was decided on, and she was hastened to St. Joseph's infirmary, where she passed away on Tuesday. She was of such a jolly disposition that her short, sweet life made a heaven on earth for all those around her. She was a Catholic girl of the highest type and a noble example for us all. She was housekeeper for the Fathers of St. Anthony's for a number of years and was beloved and respected by the Franciscan fathers. Her funeral mass was held at St. Anthony's church on Thursday morning and was most solemn and impressive. Requiem high mass was celebrated on the main altar by Rev. Father Serephim, assisted by four other priests. Just as the first gospel was being read two other fathers began requiem masses on the side altars. The music and singing were certainly of the highest order. While we, her friends, shed bitter tears of regret that we shall see her no more here below, we rejoice that our dear Margaret was so well prepared and that she has been released from her earthly sufferings. We hope that her soul is now with our Blessed Lord whom she loved so much. The burial was in St. Michael's cemetery. B. H. T.

### STAND FOR RIGHT.

Keep out of the rut; take an interest in all the events and movements of the day. Give no heed to trifles, but stand out for essentials and do not hesitate to fight when the thing is worth it, and in this way "remain the captain of your soul." Do not always be judging yourself by a judgment of others; "his is loss of valuable time. Have your own ideal high and leave others alone, ever in your relations with them being good-natured and cultivating a pleasant manner.

### STILL THEY LEAVE.

According to the official returns the number of emigrants from Ireland during the month of June was 2,996, being a decrease of 500 as compared with the number in June, 1910.

### WHAT A FALL.

What a fall that was, what a fall! exclaims the Providence Visitor. From a statesman William Jennings Bryan has degenerated into a common scold.

### JUBILEE.

#### Southern Indiana Church Celebrates Fiftieth Year.

Last Sunday was made memorable for the people of St. John's church, seven miles north of New Albany, being the golden jubilee of the organization of the congregation. The church was tastefully decorated and the altars were ablaze with lights, while the church was thronged with devout worshippers, all the surrounding towns being well represented. The Right Rev. Joseph Chartrand, Bishop of Indianapolis, and many visiting clergymen graced the occasion with their presence. A happy feature of the services was the confirmation of a class of nearly a hundred boys and girls by Bishop Chartrand. The pastor was the celebrant of the jubilee mass, and the Rev. William F. Selbert, of New Albany, preached an eloquent and forceful jubilee sermon.

### ENCOURAGE HULSWITT.

The Milwaukee Brewers will play Louisville a three-game series beginning this afternoon, and the Colonels will have to put up a fast article of ball to defeat Jimmy Barrett's aggregation, who in spite of their crippled condition all season have been a factor in the pennant race much to the wonderment of the fans, their line-up consisting of cast-off players and one or two youngsters. Not a critic in the Association cities has picked them to finish better than seventh, which they are sure of doing if some of their cripples recover before September 1. The recent showing of the locals has been a big disappointment to the fans, the team playing loosely, and the clumsy coaching and hustling of Hulswitt has been the only redeeming feature. It appears to rosters here that Manager Grayson should appoint him field captain, as he is hustling all the time and certainly deserves encouragement. Robinson at short has slumped badly and it would not be a bad idea to give him a rest, placing Stansbury at short and Baker at third until Lennox returns. Minneapolis will be here next Tuesday for four games, playing a double header on Thursday.

### STATE FAIR.

At the coming Kentucky State Fair the night horse show in the live stock pavilion will be free to those on the grounds and the programme of concerts has been so arranged that there will be music in all parts of the grounds almost constantly. The different free acts during the day will be pleasing. Among them will be the famous "Loop the Loop and Jump the Gap" act by Oscar Babcock, one of the most daring ever witnessed. The nightly performance of "Perry's Victory on Lake Erie," a brilliant and beautiful reproduction by the Pyro-Spectacular Company, will doubtless attract thousands. The head-on collision on Saturday afternoon, in front of the grandstand, will be a terrifying yet interest-holding spectacle.

### VERY WELCOME VISITOR.

Very Rev. Leo Greulich, O. M. C., Provincial of the Immaculate Conception Province of the Order of Minor Conventuals is in Louisville to spend two or three weeks. He is conducting his annual tour of inspection and will visit all the houses of his order before returning to the mother house at Syracuse. While in Louisville he is stopping at St. Anthony's rectory, Twenty-third and Market streets.

### APPOINTS PAULIST.

The Rev. Peter O'Callahan, rector of the Paulist church in Chicago, and President of the Catholic Total Abstinence League of America, has been appointed by President Taft as a delegate to the International Congress on Alcoholism to be held at The Hague on September 11.

### RELIABLE ALMANAC.

St. Anthony's Almanac for 1912, published by the Franciscan Fathers at St. Bonaventure's Monastery, has just made its appearance. This edition is well illustrated and contains much instructive and edifying reading matter. Copies cost twenty-five cents, and may be secured by addressing St. Bonaventure's Monastery, Allegany, N. Y.

### "OUR MARY."

Many Louisville people will be interested to learn that Madame Navarro, the Mary Anderson of other days, is seriously thinking of giving up her beautiful home in Worcester-shire, England. She loves to live in the country away from "the madding crowd," but at Broadway she is said to be getting tired of the throngs of tourists who insist upon calling on her when visiting Stratford on Avon, which is close to her home. At Broadway she has a delightful old world house out of the beaten track, and visitors will watch for hours to catch a glimpse of Madame Navarro, who comes along in simple attire with her husband and children and a favorite dog. The poor of the neighborhood call her their "beautiful lady" and she is the Lady Bountiful of the district. She has a chicken farm where she raises fowl for the invalid poor, and its management is a source of great interest to her.

## HIBERNIANS.

What They Have Been Doing  
the Past Week—General  
News Notes.

The Ancient Order has 755 affiliated divisions in Ireland.  
Last year the membership in Ireland increased 7,683, and in Scotland 3,792.  
Division I has three members on the sick list—Thomas Shannon, Frank Kinney and John Holden.

Every member of the order should be seen at Riverview Park on Monday night. You should also bring your friends.

Now is the time to arrange for the coming initiations. Each division should strive to have a large and representative class.

The Hibernians of Indianapolis had a great Irish day celebration on Wednesday in German Park, the attendance running into thousands.

Liverpool members of the Ancient Order of Hibernians have passed a resolution thanking His Eminence Cardinal Gibbons for his eulogy of the order.

Rory Oge O'More founded the Ancient Order just 346 years ago, for the purpose of protecting the priest when celebrating holy mass, which under the beneficent laws of England was then a penal offense.

The meeting of Division 3, which takes place tomorrow afternoon instead of Monday night, will be the last until August 28, when Division 4 will add to its roll a number of new members.

Because of the intense heat there was only a small attendance at the meeting of Division 1 last Tuesday. President Murphy held over several matters until the first September meeting, only routine business being transacted.

Addressing the Hibernians of St. Paul, our National Chaplain, Bishop Carroll, of Helena, just returned from Rome, concluded with this apostrophic utterance: "And I am delighted by the Shepherd of the Faithful to deliver to the Hibernians of Ramsey and Hennepin counties, and every member of the A. O. H. in America, the blessing of 'I hope Plus X.'"

In response to a request of the Ladies' Auxiliary the County Board decided to join with the Ladies' Auxiliary in Indianapolis in furnishing free of charge to all the girls at St. Joseph's Industrial School the necessary books for the study of Irish history. Mrs. McNellis, State Chairlady of the Irish History Committee of the auxiliary, has already secured the supply of books.

The Hibernians of the Pacific coast will make a great display at the Panama Pacific Exposition in 1915. It is hoped at the present time to make the Irish exhibit rank second to none among the displays of the nations of the world. By that time Ireland will be holding a celebration of her home rule victory in Dublin, which will be an added inspiration for the Irish of San Francisco to make Ireland's star shine out in greater splendor at the 1915 exposition.

Hibernianism is clothed with the drapery that has enveloped a nation's history of twice a thousand years, adorned with the purest sentiments and noblest characteristics of a mighty race. From the beginning its policy has ever remained the same—faith and fatherland. So it is today the same spirit permeates our members. Our policy still remains faith and fatherland and the cardinal principles which guide us are unity, friendship and true Christian charity.

## DEATH'S VICTIM.

Rev. Hugh McGuire, pastor of St. James church, Chicago, Ill., looked upon by many as the premier Catholic educator of the American priesthood, died last Sunday at Hamburg, Germany. Father McGuire had been ill for some time, and sailed from New York on August 3 for Carlsbad in the hope of recovering his health. The deceased was the head of the St. James High School, where 1,400 pupils are taught by thirty-two Sisters of Mercy and three lay professors.

## WINNERS.

Wednesday night at the meeting of the Ladies' Auxiliary, A. O. H., Miss Nellie Broderick was declared winner of the diamond ring and Miss Virgie Donahue was awarded the gold emblem ring offered as prizes at the outing held at Fontaine Perry Park on August 7. The auxiliary had a rousing meeting and received nine applications. Miss Julia Kelly drew the attendance prize, a feature that is attracting much attention from the ladies.

## CONDITION CRITICAL.

Philip Hubbuck, Vice President of the Hubbuck Brothers & Wellendorf Company, dealers in wallpaper and carpets at 522-524 West Market street, is critically ill at his home, 1312 Highland avenue. He is sixty-two years old, and has not been in good health since about three years ago, when he suffered a stroke of apoplexy. Tuesday he was stricken again and on Thursday there was slight hope for his recovery.

**FATHER KOENIG'S NERVE TONIC**

A Miraculous Medicine from Wesley, Iowa, March 17, 1910:—I was a total wreck; had an attack of apoplexy and was over 6 months helpless—could not eat nor sleep. Any little matter made me nervous; I would cry and had a desire to be alone. Have taken 6 bottles Pastor Koenig's Nerve Tonic, and I now can sleep and have a good appetite, and feel so well that I can do my day's work. I am very much pleased with the Tonic and will recommend it wherever I can. "I am happy and healthy," writes Mrs. B. McCabe, Quincy, Ill., 325 Washington St., Sept. 1, 1910. She suffered from Nervousness and Stomach, but few bottles Pastor Koenig's Nerve Tonic cured her.

Mrs. Dan Leach writes from Coyleville, Kas., Jan. 27, 1909:—Pastor Koenig's Nerve Tonic did my daughter more good than all the doctors.

**FREE A Valuable Book on Nervous Diseases and a Sample bottle to any address. Poor patients also get the medicine free.** Prepared by the Rev. ## IRELAND.

Record of the Most Important of  
the Recent Events Culled  
From Exchanges.

The death of Mrs. Julia Duffy at Newbliss is much regretted.  
The death of Michael Brennan is much regretted in Kilkenny.  
News of the death of Patrick O'Rourke at Kells caused widespread sorrow.

The Peter's Pence collection for this year for the diocese of Meath amounted to over \$4,000.

Wexford is mourning the death of Mrs. Frances Jane Madden, and New Ross that of John Tobin.

John McGee, Nurney House, Bagnalstown, has been appointed as a Justice of the Peace for the county.

Michael M. Quinn, son of Michael Quinn, Cookstown, has been admitted a solicitor of the High Court of Justice.

Two boys, Jeremiah Joy and Thomas O'Connor, Killorglin, lost their lives while bathing in the Loue.

E. W. Youell has installed an electric light plant in Ballinamore, and the fittings are already put up in most of the houses.

The Mountmellick District Council has decided to apply to the L. G. B. for a loan of \$5,000 for the purpose of providing a suitable lighting scheme for the town.

A bog fire on Lord Ormond's property, purchased under the Ashbourne act, at Kyle Park, near Floriokeane, caused damage to newly saved turf amounting to \$1,500.

The potato blight has made its unwelcome appearance in the Caledon, Killylea and Tynan districts, and has caused something in the nature of a panic amongst the farmers.

Accidental drowning was the verdict of a Coroner's jury at Tassagh, Mid-Armagh, in the case of Peter Madden, whose body was found in a stream where the water was only two feet deep.

His many friends will be pleased to learn that Owen Wickham, Mullingar, Vice President of the North Westmeath Executive United Irish League, has been appointed to the Magistracy for the district.

The death of the Very Rev. Canon Flynn, of Killea, is regretted throughout the diocese of Waterford and Lismore. Canon Flynn was ordained in 1865, and in May, 1881, he was promoted to the united parishes of Crook and Killea.

Sincere and widespread regret has been evoked throughout the Kerry diocese by the death of Sister Mary Gertrude Harrington, which occurred at the Mercy Convent, Tralee. Deceased was a daughter of the late T. R. Harrington, of Castletownbere.

Not for half a century has there been such a scarcity of water in Newbliss district as at present. Open wells and those supplying pumps have dried up, and it is only wells in low-lying districts that are giving anything like normal supply.

Widespread regret is felt in Ballinasloe at the rather sudden death of Dr. William Rutherford. The deceased was sixty-seven years of age. The remains were interred in Cragh cemetery amid every manifestation of sympathy and respect.

The precious stones which were removed and carried away from the door of the tabernacle in the new Catholic church at Claremorris about three or four months ago, have been returned by registered letter. The outrage at the time created the greatest indignation.  
Congratulations have been extended by his parishioners and numerous friends to the venerable Archdeacon Roche, of Glin, on the occasion of the diamond jubilee of his priesthood. He was ordained on July 20, 1851, and has been pastor of Glin for twenty years. The Archdeacon is in his eighty-eighth year.

Holleran, pastor of Holy Guardian Angels' church at Irvington, Meade county, is also taking a vacation, and one of the Passionist priests is looking after the spiritual welfare of his flock.
